

# **Spirit Attachment Voices on the Offensive**

**(poem)**

**-by Brian Edwards**

**(written May, 2018)**

**May 17, 2018**

**Just after midnight**

**Spirit attachments**

**On the offensive**

**Sleep deprivation**

**Seems to be**

**Their game plan**

**So many nights**

**Fighting for sleep**

**Voices**

**Lies**

**Voices**

**Lies**

**A siege**

**Of the tired mind**

**Every moment**

**Kept awake**

**I'm losing ground**

**Could end up**

**Feeling fried**

**Tomorrow**

**The sleep-aid helps**

**But a result**

Could still be  
Feeling fried tomorrow

Getting hit  
With voices lies

Warped voices  
Cryptic lies

Audio amplified  
Lies  
Lies  
Lies

Legions of lies  
Squadrons of lies

The spirit attachments  
Are about  
Talking their lies

The night  
Is dark and calm

But inside  
Audio bombs  
Audio strafing

These EVP voices

**Still repeating**

**Same old lies**

**As this time**

**Last year**

**Time**

**Rigged with audio**

**Tripwire**

**Of spiritual confusion**

**Give us silence**

**Give us light**

**Give us passage**

**To isles**

**Where dreams**

**Are weaved**

**\*\*\***
